

- **Increase revenue and margins**
- **Bring customers back faster**
- **Improve your ratings**

The know'N'act system lets you do all of the above and more. A few easy steps to sign up and create your campaign and you're ready to go.

The know'N'act system enables you to gather real-time customer feedback AND respond to it immediately.

Examples include:

- Get text alerts when your customer has a problem
- Generate coupons for them to sell other items or to bring them back next week
- Add them to a Loyalty Program through our system
- Communicate with them regularly and make them loyal patrons

No special hardware needed, no long term commitments. It's easy, quick and will immediately add value to your business.
